

# CITIZEN'S KITCHEN

by Citrus and Salt

Citizen's Kitchen is a grassroots wartime meal operation providing hearty, warm meals to soldiers and families who have been displaced. Sisters Aliya and Shaendl, owners of Tel Aviv-based cooking studio Citrus and Salt, turned their little studio into Citizen's Kitchen. Together with Alon Sharaby, a private chef, the trio gathered volunteers and donors and started cooking. Overnight, the operation was scaled from the Citrus and Salt studio to a bigger space and Citizen's Kitchen started delivering 500 meals a day.
